

SUPPLY-552

Small Waste Center without Aerosol

SUPPLY-553

Small Waste Center

Compatible with the following RecyclePak® & ReturnPak® products (Purchased separately):

Supply-093 1/2 Gal Dry Cell Battery Recycling Pail

Supply-339 VSQG 6 Aerosol Can Recycling Box (applies to Supply-553)

Supply-413 Extra Small Electronics Recycling Box

Assembly Instructions

1 Unpacking

The Regulated Waste Center will arrive pre-assembled. Please discard outer brown shipping box.

2 Prepare Individual RecyclePak® and ReturnPak® Products

Assemble each of the individual RecyclePak® and ReturnPak® products following the instructions that are included with each.

Please note that the Supply-093 battery pail return box will need to be open stored below pail until it is time to return the filled battery pail.

3 Small Waste Center Set-up

On lid – punch out all the holes your store will need. (If label notes: **NO AEROSOL** leave that hole in tact).

Insert assembled RecyclePak® and ReturnPak® boxes into holes from the bottom of the lid up. Insert assembled battery pail from the top of the lid down. (Battery pail should rest on waste center lid as seen in image above).

Leave empty battery pail box and instructions in base box of waste center.

4 Start Filling!

Your Small Waste Center is now ready for use!

Small Waste Center (Applies to Supply-552 & 553)

AUTHORIZED CONTENTS:

The Small Waste Center is authorized to hold/store individual RecyclePak® & ReturnPak® products (Supply-093, Supply-339, and Supply-413) to allow for the ease of sorting recyclable materials. The Small Waste Center itself cannot be filled and returned with items requiring recycling. The individual RecyclePak® and ReturnPak® products (purchased separately) need to be prepared, filled, sealed and returned for recycling following the instructions included with each product.

REQUIRED SAFETY SUPPLIES:

Veolia recommends the user of this service to utilize gloves and safety glasses when handling any kind of waste MATERIALS.
